Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides and complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and the Association of Molecular Pathology. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME)

Amedco LLC designates this enduring materials activity for a maximum of 64.00 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CMLE

This activity has been planned and implemented in accordance with Amedco and the joint provider-ship of the ASC and the Association for Molecular Pathology (AMP) and has been approved for 64.00 Credits of CMLE Hours. Course number: 7003.

Objectives - After Attending This Program You Should Be Able To

1. Discuss the research underway and/or current diagnostic approaches to molecular hematopathology, the molecular testing of tumors in anatomic pathology, molecular techniques that aid in resolving diagnostic dilemmas in infectious diseases, and molecular genetic testing of inherited diseases.
2. Demonstrate an increased level of knowledge of the methods and techniques being used by researchers and practitioners.
3. Utilize information and data that lead to improvements in human health and patient care.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1—6.2, 6.5).
