Policy:
The members of the Board of Directors and Committees of the Association for Molecular Pathology (the “Association”) understand the importance of serving the Association to the best of their ability and with the highest degree of duty, loyalty, and care. Accordingly, the Board of Directors adopts the following Statement of Fiduciary Responsibility for Officers and volunteers of the Association (hereinafter “Volunteers”):

1. Volunteers of the Association are committed to furthering the best interests of the Association and shall avoid conflicts of interest with the Association. Volunteers shall not profit personally from their affiliation with the Association, or favor the interests of themselves, relatives, friends, supporters, or other affiliated organizations over the interests of, or bring their interests into conflict or competition with the interests of, the Association. “Conflicts of interest” include actual, apparent and potential conflicts of interest.

2. Upon commencing service with the Association and periodically thereafter, all Volunteers shall file with the Executive Director a statement disclosing all business, financial and organizational interests and affiliations they or persons close to them have which could be construed as related to the interests of the Association.

3. Whenever the Board of Directors or a Committee is considering a matter which presents an actual or apparent conflict of interest for any Volunteer, the individual shall fully disclose their interest in such a matter. Disclosure shall also be made if the conflict arises in the course of the individual's duties for the Association. Upon each disclosure of a possible conflict of interest, a determination shall be made by the Board of Directors or Committee, according to AMP Bylaws Article XII, as to the participation of the individual in the matter. Volunteers for whom determinations are being made shall abstain and be disqualified from voting on the matter. The disclosure and vote shall be recorded promptly in writing and shall be recorded in the minutes of the committee or Board of Directors activity.

4. Unless otherwise directed and to the extent provided by law, all Volunteers shall conduct and hold Board of Directors and Committee matters in confidence and will neither disclose information nor distribute materials obtained.

5. Volunteers shall not accept favors or gifts of significant value (greater than $200) from anyone who does business with the Association.

6. Volunteers shall conscientiously prepare for and participate in Board of Directors and Committee meetings.
7. Volunteers shall be cautious and protective of the assets of the Association and ensure that they are used in the pursuit of the mission of the Association.

8. If a Volunteer has significant doubts about a course of an action of the Board of Directors or a Committee, they shall clearly raise the concern with the Board of Directors and, when appropriate, the Executive Director and/or AMP legal counsel.

9. Volunteers shall never exercise authority as Board or Committee members except when acting in relevant Association meetings or as delegated by the Board.
