

KEY:
Recorded Sessions
Partial Recorded Sessions
Not Recorded

	Day 1 Thursday, 11/1/18					Day 2 Friday, 11/2/18					Day 3 Saturday, 11/3/17									
07.00-07.15	Genomics of Pediatric AML and MDS (1 hr)	Finding the "Indel" in the Haystack (1 hr)	Personalized Genomics: Advancing Continuity in Research to Clinical Care (1 hr)	Lab of the Future: Cool Toys for the Diagnosis of Infectious Diseases (1 hr)	Case Studies (1 hr)	Keys to Publishing in Scientific Journals (1 hr)	Conceptual Nuts and Bolts of Visualizing Big Data in Genomics (1 hr)	The Growth and Evolution of Consumer Genetic Testing (PRC) (1 hr)	AMP Guidance/Standards for NGS Germline Variant Confirmation (1 hr)	Case Studies (Solid Tumor) (1 hr)	AMP Guidance for Non-standard or Emerging NGS Applications: Liquid Biopsy (1 hr)	Prior's Puzzlers (1 hr)	Strength in Numbers: Building an Academic Consortium to Facilitate Cost-Effective Clinical NGS (1 hr)	Case Studies (1 hr)	Tech Topic Platforms					
07.15-07.30																				
07.30-07.45																				
07.45-08.00																				
08.00-08.15	Break (15 mins)					Break (15 mins)					Break (15 mins)									
08.15-08.30	Opening Remarks, AMP Prog Chair					Tumoral Genomic Diversity (1 hr 30 mins)					ID Extra Session: The Role of Genomic Susceptibility Testing in Predicting Antimicrobial Responses (1 hr)	Artificial Intelligence in Genomic Medicine (1 hr 30 mins)					ID/Oncology Extra Session: Test Utilization and Clinical Utility of Molecular Test			
08.30-08.45	Award for Excellence Lecture: Reimagining Healthcare: Next Generation DNA Sequencing to Ultrasound-on-a-Chip (1 hr 15 mins)					Break, Visit the Exhibits & Posters (1 hr)						Break, Visit the Exhibits (Odd Number Posters) (1 hr)								
08.45-09.00	Life Starts with DNA: Sequencing of the Baby Genome (1 hr 30 mins)					Genetics Platform Poster Presentations (1 hr)	HemePathology Platform Poster Presentations (1 hr)	Infectious Diseases Platform Poster Presentations (1 hr)	Informatics Platform Poster Presentations (1 hr)	Solid Tumors Platform Poster Presentations (1 hr)	Clinical Implementation of Liquid Biopsy for Cancer Patients (1 hr 30 min)	Show Me the Data: Visualization At the Interface of Molecular Pathology and Patient Care (1 hr 30 min)	Enterovirus D68 and Acute Flaccid Myelitis: What We've Learned Since 2014 (1 hr 30 min)	Training the Next Generations of NGS (1 hr 30 min)	Best Practices for Clinical Validation of NGS Bioinformatics Pipeline (1 hr 30 min)					
09.00-09.15																				
09.15-09.30																				
09.30-09.45																				
09.45-10.00	Break (30 mins)					Lunches (1hr 15 mins)					Lunches (1 hr 15 mins)									
10.00-10.15	Lunches (1hr 15 mins)					Microbiome and Predictive Response to Immunotherapy (1 hr 30 mins)					ID TOWN HALL	Finding the Patient Perspective: Molecular Testing in Advanced NSCLC (Sponsored by Medscape) (1 hr 30 mins)					Precision Medicine in Mature Lymphoid Malignancies (1 hr 30 mins)	Metagenomic Characterization of Molecular Scientists (1 hr 30 min)		
10.15-10.30						Break, Visit the Exhibits & Posters (Even Number Posters) (1hr)						Hypermutation and Mutation Signature Detection in Cancer (1 hr 30 mins)								
10.30-10.45						Variant Interpretation: Challenges and Progress towards Solutions (1 hr 30 min)					Break, Visit the Exhibits & Posters (Award Judging & General Viewing)					Closing Remarks, AMP Prog Chair				
10.45-11.30						Role of Next Generation Sequencing for Outbreak Investigation (1 hr 30 mins)					Utilization of CRISPR/Cas Technique as Anti-viral Therapeutic Agent and as an Adaptive Immune Modulator in DNA Editing and RNA Targeting (1 hr 30 mins)					Clinical Advances in NGS (1 hr 30 mins)				
11.00-11.15	Cutting Edge Informatics Infrastructure for Personalized Medicine (1 hr 30 min)					Break (15 mins)					Business Meeting & Award Session (1 hr 15 mins)									
11.15-11.30	Payer Perspectives on Coverage and Reimbursement of Molecular Diagnostics (EAC) (1 hr 30 min)					Social Event (7:00pm - 10:30pm)														
11.30-11.45	Molecular Tumor Board (1 hr 30 min)																			
11.45-12.00																				
12.00-12.15																				
12.15-12.30																				
12.30-12.45																				
12.45-01.00																				
01.00-01.15																				
01.15-01.30																				
01.30-01.45																				
01.45-02.00																				
02.00-02.15																				
02.15-02.30																				
02.30-02.45																				
02.45-03.00																				
03.00-03.15																				
03.15-03.30																				
03.30-03.45																				
03.45-04.00																				
04.00-04.15																				
04.15-04.30																				
04.30-04.45																				
04.45-05.00																				
05.00-05.15																				
05.15-05.30																				
05.30-05.45																				
05.45-06.00																				
06.00-06.15																				
06.15-06.30																				
06.30-06.45																				
06.45-07.00																				
07.00-07.15																				
07.15-07.30																				
07.30-07.45																				
07.45-08.00																				
08.00-08.15																				
08.15-08.30																				
08.30-08.45																				
08.45-09.00																				

EXHIBITS Exhibit Hours: 11:30am - 4:30pm and 5:45pm - 7:00pm (Welcome Reception) Exhibit Hours: 9:00am - 4:00pm (4:00pm - 5:00pm demos) Exhibit Hours: 9:00am - 1:30pm (8:00am - 9:00am demos)
