

**AMP 2020: Social Event – Beer Tasting**

Monday, November 16, 5:45pm – 6:30pm Eastern

AMP’s very own, beer experts (Charlie Hill, Eric Konnick, and Shelby Melton) invite you to taste some of their favorite beers while they provide some fun facts about the history of beer. This will include a tasting of some popular Sierra Nevada beers - please feel free to get all and/or any selection of them. We’ll discuss all things beer while unwinding from a successful Day 1 of the AMP Annual Meeting! See you there!

Note: These should be available at your local beer store!

**Pale Ale**

**Celebration**

**40 Hoppy Anniversary Ale**

**Torpedo Extra IPA**

**Hop Bullet**

*By participating in this event, you acknowledge and accept sole responsibility for your conduct and actions during and after the Event. By entering the Event, you Release, Waive and Covenant Not to Sue, and further agree to Indemnify, Defend and Hold Harmless the Association for Molecular Pathology, its Officers, Agents, Contractors, Volunteers, and Event Organizers, Moderators, and Speakers.
