CHAT WITH EXHIBITORS

• Once inside the booth, click on the ‘Chat’ tab and you’ll be taken straight to the chatroom.

• The center space of the chatroom window is for public chat where anyone can send a message. Messages sent in public chat area will be visible to all.
CHAT WITH EXHIBITORS

Once you are in the chatroom…

- The list of the booth reps that are online for that booth will be visible to you in the right panel.
CHAT WITH EXHIBITORS

To initiate a private chat with a booth rep you can send them a direct message by either:

• Hovering over their name and clicking on the ‘Chat now’ button that appears

• Or by clicking on the online booth rep you wish to chat with. Doing this will display a pop-up.
CHAT WITH EXHIBITORS

To initiate a private chat with a booth rep you can send them a direct message by either:

- Hovering over their name and clicking on the ‘Chat now’ button that appears
- Or by clicking on the online booth rep you wish to chat with. Doing this will display a pop-up.

If the booth rep wishes to initiate chat with you, he/she will be able to send you a direct message. Message notification will appear under the Direct Messages label.
CHAT WITH EXHIBITORS

- Click on the booth rep’s name in the **Direct Messages** list and you can start exchanging messages with the booth rep.
- After you have finished the conversation, click on the Exit Button to end that chat.

**AMP TIP:** To initiate Audio/Video chat, click on the audio/video icon at the top-right of the private chat area.
