GENERAL

The Exhibitor Rules & Regulations, including any amendments published on the AMP 2022 Annual Meeting & Expo (“AMP 2022”) website, distributed to the Company’s Exhibit Booth Contact, or communicated to the onsite contact, are a part of the Exhibitor Contract. In addition, the provisions of the lease or licensing agreement between AMP and the venues which refer to or govern exhibitors are incorporated in these Exhibitor Rules & Regulations by reference and are available upon request. Failure to abide by any of these, either by exhibitor staff or contracted labor, will constitute breach of contract, will result in imposition of applicable fines and may result in revocation of permission to exhibit in 2022, with forfeiture of all monies paid, loss of loyalty credits and/or denial of permission to exhibit in future years. Exhibitors are responsible for all expenses incurred as a result of their failure to comply with the Rules & Regulations.

Only persons, companies or organizations that have contracted with AMP may exhibit at AMP 2022.

Official Name, Dates, Location & Tag of Events

- The official name of the event is the AMP 2022 Annual Meeting & Expo or AMP 2022 for short.
- The official AMP 2022 Annual Meeting & Expo dates are November 1-5, 2022.
- The location is the Phoenix Convention Center in Phoenix, Arizona, USA.
- The hashtag is #AMPPath22. Exhibitors will adhere to this terminology.

Show Dates

The official AMP 2022 Show dates are November 3-5, 2022.

Eligible Exhibitors

All exhibits and related demonstrations and presentations shall serve the interests of AMP members and meeting attendees. AMP reserves the right to determine the eligibility of any Exhibitor, product, or service for inclusion in the expo. AMP reserves the right to remove or prohibit any exhibit in whole, in part, or any Exhibitor or its representatives that in its opinion are not in keeping with the character and purpose of the AMP 2022 Annual Meeting & Expo.

Exhibitor Fees

The complete list of Exhibitor Booth Fees, including for 501(c)3 non-profit organizations, can be found in the Exhibitor Prospectus and in the [Expo Harvester](#).

Booth Space Configuration

All booth space configurations are 10’ x 10’ or multiples thereof. A combination of inline and corner booths may be secured to create an inline booth size larger than 10’ x 10’ (limited number available). Island booths or spaces other than those noted on the expo floor plan must be approved by AMP Show Management and Fire Marshal Regulations; and the Exhibitor Booth Fee will include the full cost of any booths deleted to create such an island.

Reconfiguration & Booth Relocation

AMP Show Management strives for but cannot guarantee booth placement as requested. Generally, AMP Show Management does not reconfigure the Expo Hall but reserves the right to do so. AMP reserves the right to relocate booth space to areas other than that originally assigned. On rare occasions, relocation may occur onsite. Exhibitor will be notified of relocation as soon as possible, as will AMP 2022 attendees.

Subletting of Space

AMP strictly prohibits the sharing or “co-oping” of booth space unless companies share the same parent company or one company is the subsidiary of the other (proof required). Contracted exhibitors will not assign, sublet, or share any space allocated to them. They will not advertise or display goods other than those manufactured or sold by them in the regular course of their business. The space assigned to the Exhibitor is for their exclusive use. Regardless of permitted booth space sharing, only one company listing per booth will be allowed.

Mergers & Acquisitions

In the event that an exhibiting company merges with, is acquired by, or purchases another exhibiting company, AMP Show Management must be notified in writing of such changes. Combining booth spaces will not be considered a cancellation as long as the resulting booth space is at least as large as the combination of the separate booths. Changing the size of a booth space may require relocation within the Expo Hall. Only one company listing per booth will be allowed.

Space Assignment – Reserving Your Booth*

Applications for booth space at the AMP meeting are received online using our online Expo Harvester. Booth spaces are approved solely at the discretion of AMP – after which payment is due in full.

* Note - AMP is not responsible for assignment of booth spaces and the booth location of competing companies.
