AMP Announces Results of 2023 Leadership Elections

ROCKVILLE, Md. – July 7, 2023 – The Association for Molecular Pathology (AMP), the premier global, molecular diagnostics professional society, today announced the results of its recent elections for 2024-2025 Leadership positions. AMP is an organization driven by the dedication of its volunteers and looks forward to working with these newly elected leaders.

President-Elect

Jane S. Gibson, MS, PhD
University of Central Florida College of Medicine

Program Committee Chair- Elect

Somak Roy, MD
Cincinnati Children's Hospital Medical Center

Secretary-Treasurer

Yasmine M.N. Akkari, PhD
Nationwide Children's Hospital / The Ohio State University College of Medicine

Publications Committee Chair

Patricia Tsang, MD, MBA
MedStar Washington Hospital Center, MedStar Health

Training and Education Committee Chair

Marjorie Parker David, MD, MS
UT Health San Antonio

Program Committee Technical Topics Representative

Tessara Baldi, BS
Memorial Sloan Kettering Cancer Center

GENETICS SUBDIVISION

Genetics Clinical Practice Committee Representative

Jennifer Laffin, PhD
Exact Sciences Laboratories LLC

Genetics Nominating Committee Representative

Jane Houldsworth, PhD
Icahn School of Medicine at Mount Sinai, Mount Sinai Health System

Genetics Program Committee Representative

Stuart A. Scott, PhD
Stanford University

Genetics Training and Education Committee Representative

Sara Akhavanfard, MD, PhD
University Hospitals Cleveland Medical Center Inc. and Case Western Reserve University

HEMATOPATHOLOGY SUBDIVISION

Hematopathology Subdivision Chair

Rena R. Xian, MD
Johns Hopkins University School of Medicine

Hematopathology Clinical Practice Committee Representative

Susan E. Harley, MD
University of Arkansas for Medical Sciences and Arkansas Children's Hospital

Hematopathology Nominating Committee Representative

Valentina Nardi, MD
Massachusetts General Hospital and Brigham and Women's Hospital

Hematopathology Program Committee Representative

Amir Behdad, MD, MBA
Cleveland Clinic Florida

Hematopathology Training and Education Committee Representative

Kevin E. Fisher, MD, PhD
Baylor College of Medicine and Texas Children's Hospital

INFECTIOUS DISEASES SUBDIVISION

Infectious Diseases Clinical Practice Committee Representative

Meghan W. Starolis, PhD
Quest Diagnostics

Infectious Diseases Nominating Committee Representative

Morgan A. Pence, PhD
Cook Children's Medical Center

Infectious Diseases Program Committee Representative

Ryan F. Relich, PhD
Indiana University Health and Indiana University School of Medicine

Infectious Diseases Training and Education Committee Representative

Rebecca Yee, PhD

The George Washington University School of Medicine and Health Sciences

INFORMATICS SUBDIVISION

Informatics Clinical Practice Committee Representative

Andrea Sboner, PhD

Weill Cornell Medicine

Informatics Nominating Committee Representative

Jing Xu, MD, PhD

UT Southwestern Medical Center

Informatics Program Committee Representative

Heather M. Blankenship, PhD

Michigan Department of Health and Human Services, Bureau of Laboratories

Informatics Training and Education Committee Representative

Eric W. Klee, PhD

Mayo Clinic

SOLID TUMORS SUBDIVISION

Solid Tumors Diseases Subdivision Chair

Anthony N. Snow, MD

University of Iowa Hospitals and Clinics

Solid Tumors Clinical Practice Committee Representative

Lauren L. Ritterhouse, MD, PhD

Foundation Medicine

Solid Tumors Nominating Committee Representative

Jaclyn F. Hechtman, MD

Miami Cancer Institute, Baptist Health South Florida and Neogenomics Laboratories

Solid Tumors Program Committee Representative

Ari Karunamurthy, MBBS, MD

University of Pittsburgh Medical Center

Solid Tumors Training and Education Committee Representative

Brett Baskovich, MD

Mount Sinai Health System

ABOUT AMP

The Association for Molecular Pathology (AMP) was founded in 1995 to provide structure and leadership to the emerging field of molecular diagnostics. AMP's 2,900+ members practice various disciplines of molecular diagnostics, including bioinformatics, infectious diseases, inherited conditions, and oncology. Our members are pathologists, clinical laboratory directors, basic and translational scientists, technologists, and trainees that practice in a variety of settings, including academic and community medical centers, government, and industry. Through the efforts of its Board of Directors, Committees, Working Groups, and Members, AMP is the primary resource for expertise, education, and collaboration in one of the fastest-growing fields in healthcare. AMP members influence policy and regulation on the national and international levels, ultimately serving to advance innovation in the field and protect patient access to high-quality, appropriate testing. For more information, visit www.amp.org and follow AMP on Twitter: [@AMPath](https://twitter.com/AMPath).
